DIV. OF OIL, GAS & MINING

Dear Doug:

As per our telephone conversation of August 11, 2005, I would like to amend the current Large Mine Plan on the Hi Cal Mineral deposit which is located ten miles West of Nephi. As of this date Approximately two and one-half acres of the mine have been reclaimed and re-seeded, therefor, I request an inspection and re-consideration of the Board's request for additional bonding.

Respectfully submitted,
